由洛杉磯出發,沿著美麗的太平洋沿岸公路(PCH)前往加州最南端的海灣城市,聖地亞哥市。一個半小時的車程後我們穿越市中心區,前往海灣邊上的聖地亞哥港,這裡是美國海軍在西海岸最重要的軍港,也是駐守亞洲的第七艦隊的母港,在此我們參加海灣遊輪,一睹全世界最強大的航母武力和登上曾擁有輝煌戰績的中途島號航空母艦。之後前往加州擁有近兩百年歷史的老城區,聖地牙哥老城,發人思古之幽情,接著前往1838年成立的巴布亞公園(Balboa Park),這是全美最早的公眾公園之一。分別在1915年及1935年舉辦過世界博覽會。在1977年登記成為國家歷史地標。傍晚時分一路跟隨著夕陽回來洛杉磯,結束聖地亞哥懷舊、探險之旅。

Starting from Los Angeles, follow the Pacific Coast Highway to San Diego, a beautiful coastal city located at the southern tip of California. The 1.5 hour ride will pass through downtown San Diego and stop at San Diego Harbor, location of Naval Base San Diego, the principal homeport of the US Navy's Pacific Fleet and over 200 individual commands. Join a bay cruise and go aboard the Midway aircraft carrier. Later, we visit the "birthplace" of California - Old Town San Diego. We then proceed to Balboa Park, one of the first public parks in the US, established in 1838, and host of the Panama-California Exposition of 1915-1916 and California Pacific International Exposition of 1935-1936. We return to Los Angeles along the Pacific Coast Hwy.
